Re: Your Grievance against Richard A. Stein, Esq.

1. I am in receipt of your letter of Jun 11, 2009 in that like the apparently corrupt District X Ethics Committee which refuses to investigate not only the corrupt Laddey, Clark and Ryan LLC's felon Richard A. Stein, Esq. but other corrupt law firms and lawyers infecting in the Morris/Sussex County Vicinage who are protected by the felons in its corrupt Superior Court and Municipal Judges who have been protected by the State of New Jersey's corrupt ACJC.

2. Together with the corrupt Vicinage Superior Court Judge B. Theordore Bozonelis, A.J.S.C. who in fact really never had any civil suite against me but the original docket filed by the corrupt perjurer Richard A. Stein who is the main confederator in Stanhope with its corrupt Land Use Board law firm Dolan and Dolan PA and its corrupt lawyers Roger Thomas, Esq. and John Leo, III Esq. has participated now for seven years in fraud, trickery protected by the corrupt lawyers represented by our felon who is the Chief of New Jersey's Supreme Court Stuart Rabner, Esq, the latest felon in charge of the State of New Jersey's Attorney General's office; namely, Anne Milgram, Esq. and her corrupt lawyers on the Division of Law being its director and the pathetic corrupt lawyer for the ceasepool in the Department of Community Affairs noted on my well known and published web site ThomasCaggiano.com now read by hundreds of people.

3. The corrupt lawyers on the Government Record Council namely its corrupt perjurer Catherine Stargill, Esq. and its corrupt In house lawyer Gordon, Esq. protect the corrupt Department of Agriculture lawyers and other lawyers in Frankford Township, the Township of Green, Stillwater, Fredon, Borough of Andover, Stillwater, Stanhope

and more. It appears unending the corruption and NO ethics among New Jersey's flock of judges in its Superior and Municipal courts aided by the corrupt municipal prosecutor lawyers from many corrupt law firms which are now too many to count.

4. So I'll just add your name to the web page on ThomasCaggiano.com. The civil case was a bogus case against in fact the Government Record Council by the corrupt Richard Stein to hide his perjury on 18 original Statement of Information responses and he with now over two dozen corrupt Judges and Lawyers who protect our corrupt Gov Jon Corzine and its corrupt Department of Law and Public Safety, including the corrupt FBI Special Agent in Charge on ThomasCaggiano.com just shows the depths of corruption and looking for someone else to simply say: Things are wrong in the corruption capital known as New Jersey because of its corrupt and unethical lawyers, judges and judicial employees. No ethics apply in New Jersey's courts of injustice. The constitutions of the United States of America nor New Jersey apply nor do the Rules of the Court. So take your pathetic response and put it on the pile with the other 50 feet of evidence I am now throwing out as the DVD alone that the corrupt lawyers in Sussex County Prosecutor's office, Sussex County Board of Chosen Freeholders, Trenton's Superior Court, Trenton's Municipal Court, Morristown's corrupt Superior Court Judges Bozonelis, Manahan, and Conforti, protect the corrupt State Police and Municipal Police, corrupt Governing Bodies, Town Administrators, Municipal Clerks, CFOs, Land Use Board, et. al.

5. As my wife were in Northern Las Vegas to buy a new home far away from this cease pool State and by the end of the month I won't be a citizen of New Jersey any more, you can have the State where I as born. It's pathetically corrupt as noted in audio recordings, letters, photographs, petitions and court transcripts. Please go join the ACJC and tell each other how corrupt each organization is and compare notes to see which organization is more corrupt: The ACJC, the OAE, the District X Ethics Committee, the Board of Professional Engineers or Board of Professional Planners, the corrupt Department of Law and its corrupt Deputy Attorney Generals or our corrupt Gov Jon Corzine or corrupt former U.S. Attorney Chris Christie.

6. Adios. You can read about the saga on ThomasCaggiano.com as I won't waste any more stamps for postage.

7. My wife and I are moving to Northern Las Vegas's Aliante;s Springdale Community and hike the areas Valley of Fire, Red Rock Canyon, Mt. Charleston and be as far away as we can move from New Jersey and be by our National and wonderful Nevada State parks and give up our New Jersey State citizenship.

8. Enclosed is my letter of Jul 1, 2009 , Subject: Ind # 08-09-00316-I Approval of Travel Request for Thomas Caggiano through Aug 9, 2009 that was sent to the corrupt Sussex County Superior Court - Criminal Part and its corrupt Prosecutor and corrupt assistant prosecutor that was sent to many corrupt State organizations with corrupt unethical lawyers.

9. In a few years, I'll be filling hundreds of Affidavits of Probable Cause as I await the next administration to remove the corrupt Anne Milgram, members of the ACJC and dozens of other corrupt lawyers, prosecutors, state and municipal officials.

Very Sincerely,

Thomas Caggiano
