tipinformation: This is input to the corrupt Office of NJ Attorney General Anne Milgram who will resign when her protected Gov Jon Corzine leaves office as he was voted out of office by We the People even though the number of registered Democrats outnumber the number of Republicans. He removed the Office of the Gov's staff member Ian Brennan AFTER he requested an investigation of the Borough of Stanhope based upon the many telephone calls, data into the Office of Gov computer system and AFTER I provided audio recording to the corrupt Staff member Carol Kane and Nia placed my name on the Office of Gov OCR list to prevent me as a citizen of performing my duty under the Declaration of Independence and the Constitution of NJ to preform his duty of oversight of corrupt Cabinet level officials such as the corrupt Sec of Agriculture Charles Miles Kuperus which protected the corrupt Borough of Stanhope by his corrupt Chairmen of the State's Sussex County Soil Conservation District Clifford Lundin, Esq. with its corrupt Manager Winifred Straub and its corrupt lawyer Brian Smith who threatened and intimidated any witness that came forward to report violations of the State's Soil Erosion and Sediment Control Act such as Iqbal AND Mary Pawar of 12 East Drive who themselves signed many letters of complaint, contacted the corrupt State's Sussex County Prosecutor's Office David Weaver via his corrupt subordinate Joseph Costello. The also filed formal complaints against the incompetent and corrupt puppet of the Borough of Stanhope's Town Council and Land Use Board for decades as he did NOT have any contract awarded per the State's Local Public Contracts Law, nor did other felons protected by the corrupt Office of Attorney General's Department of Consumer Affairs ceasepool in its Board of Engineers which has hundreds of pages of evidence against other PEs and PPs but these corrupt boards protect their fellow felons as does the State's corrupt ACJC protect Judges as seventeen Judges are complicit and confederators. This number includes the six corrupt Judges on the corrupt Department of Treasury whose Office of Administrative Law has six corrupt judges at least who protected Stanhope from dozens of denials of access complaints wherein the fines would be in the millions for the dozens of person contributing to not only the denial of access but perjury on Statement of Information on 18 of them. A witness against the GRC is its former chairman Vince Maltese, Esq. and Sr. Case Manager Dara Lownie and the former Borough of Stanhope Ms Robin KLine who was attacked mentally for over a year as she reported the corruption as a private citizen to many organizations. Any State, municipal or private citizen that reported the official misconduct WAS attacked, slandered and libeled by the corrupt State officials and the Borough of Stanhope is a cease pool for decades.=====Below is my lastest summary to "My" lawyer Robert Mattia, Esq. who has collaborated with the corrupt Judge Conforti for months.=====The following email was distributed to the newspapers, State Senators and members of the General Assembly and others in our seven & year effort to reduce the pandemic corruption but it continues to spread now involving the corrupt Assignment

Judges of Mercer County, Sussex County and Morris County. ===== court order Well where is it? Where are my thousands in fines I paid Stanhope? Where are my civil rights? Why can't I examine a govt record?===== ... Tue, November 10, 2009 4:09:06 PM=====

From: thomas caggiano [Chat now] ... ===== To: Robert A. Mattia ; FBI Las Vegas ; Paul Fishman ; Josh Margolin ; Star Ledger ; NJ Herald Reporter thowell ; Newsroom NJ Herald ; Sen Steven V. Oroho ; Alison Littell Mc Hose ; NJRepublican Senate Representatives ; Ted Sherman Reporter ; ASM Speaker Joseph J. Roberts ; Sen Loretta Weinberg ; mary pawar ; Alyson Kuddar ; Ann Rosellen ; Fredon Clerk ===== Hello Robert,===== You don't mind responding to my repeated emails? ===== You don't mind getting Conforti to sign the illegal court order on the municipal appeal you sent me? ===== Ever hear of Open Government Record Act? ===== Ever hear of Open Public Meeting Act? ===== Ever hear of the United State's Constitution's first amendment called the Bill of Rights? ===== Ever hear of the New Jersey Constitution? ===== Ever hear of the Code of Ethics? ===== Ever hear of Rules of Professional Conduct? ===== Ever hear of due process? ===== I guess I must be totally incompetent as I though the word SHALL gave a Judge NO option but to hold a competency hearing. ===== Ever hear of allowing a defendent to get his OWN court records?===== It seems NOT in New Jersey or Sussex County. ===== But we are doing great in beautiful Aliante. ===== Oops, I guess I can read these books in my house that have ALL THE above. ===== DAH.===== Why waste the ink.. NEW JERSEY Is just one big FRAUD and Enterprise of Corruption. ===== So get me my fine money back NOW please. The five days is up but its been 7 years since 14 people simpy said to Stanhope Please comply with federal, state and municipal laws!===== We thought they existed in the United States of America. ===== They DO NOT.===== Our authored and published web site FreedomNewsDigest.com or accessible by ThomasCaggiano.com as a public duty to expose tyranny in Government The web site is very embryonic as the corrupt Municipal courts in Trenton AND the corrupt Joint court in the Township of Green REFUSE to provide me court documents AFTER convicting me on bogus charges by felons in Govt. Perjury was rampanant by State and Borough of Stanhope officials but the biggest liar, perjurer, pathetic person who needs a competency test is the corrupt lawyer Richard A. Stein, Esq. of the corrupt Major Law firm Laddey, Clark and Ryan LLC. Anyone dare to file a civil suite against me for exposing bribed felons!!===== Of course the felon Municipal Judge Craig U. Dana, JMC and his corrupt con man the municipal prosecutor William E. Hinkes, Esq who didn't even have a legal contract on Jan 7, 2009 when the confederators didn't even allow Mary Pawar of 12 East Drive who sat in the court to be my witness WAS NOT allowed ... ===== That's typical in municipal courts in NEW JERSEY .. every one I was convicted were nothing but corrupt municipal judges and their corrupt municipal prosecutors. ===== One never has a hearing in the corrupt Government Record Council of NJ corrupt Department of Community Affairs as they send them to the six corrupt Judges in the Office of Administrative Law in Newark,NJ the home of the corrupt Newark FBI Special Agent in Charge Weysan Dun who destroyed evidence and the FBI duty officer thereafter recused himself. ===== The State Police's Augusta Barracks Det Sgt Brown recused himself when my wife Kathryn and I brought in 3 feet of evidence. ===== The former State Sussex County Prosecutor Bill Fitzgibbons recused himself and so did his Detective when I gave them added evidence in their High Street Grand Jury room. ===== And the corrupt State Department of Health is NOTHING but a corrupt organization of Dr. who write I am competent and then by another corrupt one being Dr. Paul I am NOT competent to stand trial with a public defender BECAUSE I am incompetent.===== Needless to say their corrupt CEO Mr. Main never responds to letters that his employees wrote false reports so HE is complicit with these felons. ===== But per corrupt Department of Justice Criminal Division there is NO federal

crimes.===== Per the corrupt Mercer County Assignment Judge the corrupt Judge Sancin-
nito who ignores the laws, conspires with felons, has me arrested is NOT committing any State Title 2c
Crimes NOR does Corzine who has dozens of persons convicted on bribes ever file a State criminal Ti-
tle 2C charge against them even though NJ is a State with its own constitution but HE doesn't enforce
laws he allows his corrupt AGs to protect felons.. WHERE are the State criminal indictments as the last
time I read the Federal Reserve notes they read THE UNITED states OF AMERICA. I guess Corzine,
Stuart Rabner, Anne Milgram forget we have sovereign States and a person or law firm or both can be
convicted on Both Federal Conspiracy Charges AND State Conspiracy charges. =====
But NOT in the United States of America the land of the Pay to Play State and where loyalty to Party
AND lobbies is the KING. We'll the King Corzine is history. ===== When will the rats
in his ship leave. Soon :) ===== Thomas Caggiano ===== The CAG
